GOVERNMENT HOUSE, OTTAWA.

Tuesday, the 30th day of December, 1884.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the contagious disease of "Sheep Scab" prevails among sheep in parts of the Province of Quebec, especially in the Counties of Chambly and Laprairie;

And whereas the High Commissioner for Canada in London has reported to the Minister of Agriculture that among cargoes of sheep from the Dominion arriving at the port of Liverpool, animals affected with the disease of "Sheep Scab" have been found; such cargoes having in consequence been ordered to the Diseased Animals Wharf;

And whereas it has been reported to the Minister of Agriculture, by the Veterinary Inspectors of his Department, that the measures hitherto taken for the extirpation of the disease of "Sheep Scab" have not been sufficiently stringent and persistent; the disease having in consequence increased, particularly in the counties above named;

And whereas the Minister of Agriculture is of opinion that it is in the public interest of the Dominion, and also in the interest of the localities affected by this disease, that such steps should be taken as would be adequate to effect its extirpation:

On the recommendation of the Minister of Agriculture, and under the provisions of the Act of the Parliament of Canada, 42 Victoria, chapter 23, intituled "An Act to provide against infectious or contagious diseases affecting animals,"—His Excellency by and with the advice of the Queen's Privy Council for Canada has been pleased to make the following regulations:—

1. In order to provide for the segregation or isolation or otherwise dealing with animals affected with the disease of "Sheep Scab," a Veterinary Inspector, or other person appointed by Order in Council acting under the directions of the Minister of Agriculture, may declare any farm or place or common or yard, or any building, where such diseased animals are found, to be an infected place within the meaning of the Act aforesaid.

2. No person whatever except a Veterinary Inspector, or other person duly appointed as aforesaid, and acting under the direction of the Minister of Agriculture, shall remove any sheep from such infected place, and then only for the purpose of carrying into effect the provisions of said Act, under a penalty of two hundred dollars.

3. A Veterinary Inspector, or other person duly appointed as aforesaid, acting under direction from the Minister of Agriculture, may make a selection of a particular place or places within or without the limits of an infected district for the purpose, in such cases in which it may be considered advisable, of isolating and segregating such animals as may have been exposed to the disease of Sheep Scab. And such Veterinary Inspector, or other person duly authorized as aforesaid, shall alone have the power to order the removal of such animals, as he may consider advisable, to or from such selected places.

4. Such duly appointed Veterinary Inspector or other officer acting under the direction of the Minister of Agriculture, may, under the provisions of Section 14 of the Act aforesaid, order any animal found to be affected with Sheep Scab, or in contact with animals so affected, to be slaughtered; a compensation to an amount not exceeding two-thirds of the value of such animal before it became affected, to be paid to the owner thereof, but such compensation never to exceed the sum of four dollars for any one animal.

5. The value of such animals is to be, in all cases, appraised by a Veterinary Inspector, or other person appointed for that purpose by the Minister of Agriculture; but no compensation whatever is to be allowed in any case in which it is found that fraudulent attempts at concealment of such disease shall have been made; or in any case, in which such animals shall have been removed from any place declared to be infected under the provisions of the Act aforesaid.

6. Any market, or railway yard, or pen, or wharf, or part or parts of such, or other place where sheep are exposed for sale, or where, or in which, they may be placed for the purpose of transit for removal to market, or from the Province, for the purpose of exportation, shall, in the event of any animal affected with the disease of Sheep Scab being found therein, by a Veterinary Inspector, or other person duly appointed by Order in Council, and acting under instructions from the Minister of Agriculture, on a declaration to that effect made by him, be held to be an infected place within the meaning of the Act aforesaid; no animal being allowed to be removed from such infected place, except on order of such duly appointed Veterinary Inspector, or other person aforesaid, under a penalty of two hundred dollars.

7. All sheds, out-houses, or places used for sheep affected by "Sheep Scab" must be thoroughly cleansed and disinfected under the directions of a Veterinary Inspector or duly appointed person.

His Excellency has been further pleased to direct that the Minister of Agriculture be, and he is hereby authorized to give effect to the foregoing Regulations, as well as generally to the provisions contained in the first seven sections of the Act before mentioned.

NOTICE is hereby given that the Montreal Harbor Commissioners having changed the location of the dredged channel between Pointe aux Trembles and Varennes, in the River St. Lawrence below Montreal, it has become necessary to remove the upper range lights on Ile Ste. Thérèse, which mark this part of the channel, to the eastward, so as to indicate when in line the middle of the same. The change was completed on 23rd October, 1884.

The back tower has been moved a distance of 700 feet S. S. E. from its former position, and now stands upon a cribwork block below the river bank on the South shore of the Island.

The front range light has been removed off Ile Ste. Thérèse, and is now located upon a low islet further up stream known as Isle aux Vaches. It is distant about 5,000 feet S. W. ¾ S. from the back light.

The tower is a small hexagonal wooden building, capable of being removed every winter to prevent damage by ice. It stands upon a timber work pier, and is 23 feet high from the pier to the vane on the lantern. The focus of this light is 29 feet above the ordinary summer level of the water.

Each tower is painted white, with a red vertical stripe on the side facing the channel, and both lights are as heretofore fixed white catoptric, visible in the line of range 6 miles.

Temporary lights to indicate this line of range were instituted on the 27th September, 1884, and the lights on the old line of range were shown for the last time on the 15th November, 1884.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette*, and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of $200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

No Petition for a Private Bill is received by either House after the first ten days of the session.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un rapport du ministre remplaçant le secrétaire d'Etat, daté du 22 décembre 1884, dans l'affaire de la pétition présentée en conformité de l'Acte de Tempérance du Canada, 1878, par un certain nombre d'électeurs du comté de Stanstead, dans la Province de Québec, établissant qu'il appert que les procédés de l'officier-rapporteur ont été faits suivant l'acte et que la pétition a été déclarée adoptée par les électeurs du dit comté,—

Il a plu à Son Excellence, sur la recommandation du ministre remplaçant le secrétaire d'Etat, de déclarer, et il est par les présentes déclaré que la deuxième partie de l'Acte de Tempérance du Canada, 1878, aura force et effet dans le dit comté de Stanstead, à partir du jour où les licences annuelles ou semi-annuelles pour la vente des liqueurs spiritueuses alors existantes dans le dit comté expireront, pourvu que tel jour soit éloigné d'au moins quatre-vingt-dix jours d'aujourd'hui, et s'il y a moins de quatre-vingt-dix jours, alors à la même date dans l'année prochaine; et s'il n'y a pas de licences en force dans le comté de Stanstead, qu'alors la dite deuxième partie du dit acte aura force et effet dans le dit comté après l'expiration de trente jours de la date des présentes.

JOHN J. McGEE,
27-3 Greffier du Conseil Privé.

HOTEL DU GOUVERNEMENT, OTTAWA.

Mardi, 30ème jour de décembre 1884.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que la maladie contagieuse de la gale sévit parmi les moutons dans certaines parties de la province de Québec, et spécialement dans les comtés de Chambly et de Laprairie;

Et attendu que le haut commissaire pour le Canada, à Londres, a fait rapport au ministre de l'Agriculture que dans les cargaisons de moutons expédiées de la Puissance et arrivant au port de Liverpool, il s'était trouvé des animaux atteints de la *gale des moutons*, et qu'en conséquence ces cargaisons avaient, par ordre, été envoyées au quai des animaux malades;

Et attendu qu'il a été fait rapport au ministre de l'Agriculture par les inspecteurs vétérinaires de son Ministère que les mesures prises jusqu'ici pour l'extirpation de cette maladie de la *gale des moutons*, n'avaient été ni assez sévères ni assez longuement appliquées, et qu'en conséquence la maladie s'était propagée, particulièrement dans les comtés mentionnés;

Et attendu que, dans l'opinion du ministre de l'Agriculture, il est de l'intérêt général de la Puissance comme de l'intérêt des localités infectées, qu'il soit pris des moyens suffisants pour extirper cette maladie;

Sur la recommandation du ministre de l'Agriculture et sous l'autorité de l'acte du parlement du Canada, 42 Victoria, chap. 23, intitulé "Un Acte pour mieux protéger les animaux contre les épizooties ou les maladies contagieuses qui les attaquent,"—

Son Excellence par et de l'avis du Conseil privé de Sa Majesté pour le Canada, a bien voulu statuer ce qui suit:

1. Afin d'isoler et renfermer dans certains districts ou disposer autrement des animaux atteints de la maladie de la gale des moutons, un inspecteur vétérinaire ou autre personne commise à cet effet par ordre en conseil, agissant sous les ordres du ministre de l'Agriculture pourra déclarer que telle ferme ou tel endroit, telle commune ou telle cour ou aucune bâtisse où on aura trouvé des animaux affectés de cette maladie, est un undroit infecté suivant le sens de l'acte suscité.

2. A l'exception de l'inspecteur vétérinaire ou autre personne commise à cet effet et agissant sous les ordres du ministre de l'Agriculture, nul ne fera sortir aucun mouton de tel endroit infecté, et ceux-là ne le pourront faire qu'afin d'exécuter les provisions du dit acte, à peine d'une amende de deux cents piastres.

3. Un inspecteur vétérinaire, ou autre personne dûment commise comme susdit, agissant sous la direction du ministre de l'Agriculture, pourra choisir, soit en dedans soit en dehors des limites de la localité infectée un ou des lieux particuliers afin que, dans

le cas où l'on croirait la chose utile, on puisse y faire isoler et garder séparés les animaux qui auraient été exposés à la maladie de la gale des moutons ; et tel inspecteur vétérinaire, ou autre personne dûment autorisée comme susdit, aura seul le pouvoir d'ordonner de conduire à tel endroit les animaux qu'il croira utile, comme aussi de les en faire sortir.

4. Tel inspecteur vétérinaire dûment nommé ou tel autre officier agissant sous la direction du ministre de l'Agriculture pourra, sous l'autorité de la section 14 du dit acte, ordonner de tuer tout animal trouvé être affecté de la gale des moutons, ou en contact avec des animaux ainsi affectés ; il sera payé au propriétaire de l'animal une compensation n'excédant pas les deux tiers de la valeur de l'animal avant qu'il n'eût été atteint, mais telle compensation ne devant pas dépasser quatre piastres pour aucun animal.

5. La valeur des animaux sera, dans tous les cas, établie par un inspecteur vétérinaire, ou autre personne commise à cet effet par le ministre de l'Agriculture, mais il ne sera accordé aucune compensation dans aucun cas où on aura frauduleusement tenté de cacher la maladie, ni dans le cas où on aurait fait sortir tels animaux de l'endroit déclaré infecté, sous les dispositions de l'acte ci-dessus.

6. Tout marché, cour de chemin de fer, enclos, ou quai, ou parties d'iceux, ou autre endroit dans lequel des moutons sont exposés en vente, ou dans lequel ils ont été placés en attendant qu'on les conduise au marché ou qu'on les exporte en dehors de la province—au cas où un inspecteur vétérinaire ou autre personne dûment nommée par ordre en conseil et agissant en vertu d'instructions données par le ministre d'Agriculture y trouverait un animal affecté de la maladie de la gale des moutons, sur la déclarations faite par le dit inspecteur vétérinaire ou par telle autre personne, sera tenu pour un endroit infecté dans le sens de l'acte susdit ; et aucun animal ne pourra être tiré de tel endroit infecté, excepté sur l'ordre de tel inspecteur vétérinaire ou autre personne susdite dûment nommée, sous peine d'une amende de deux cents piastres.

7. Tout hangar, appenti ou endroit occupé par des moutons affectés de la gale des moutons devra être complètement nettoyé et désinfecté sous la direction d'un inspecteur vétérinaire ou autre personne dûment nommée.

Il a plu à Son Excellence d'ordonner que le ministre de l'Agriculture soit, et il est par les présentes autorisé à mettre en force les règlements qui précèdent aussi bien que toutes les dispositions contenues dans les sept premières sections de l'acte déjà mentionné.

JOHN J. McGEE,
27-3 Greffier du Conseil privé.

AVIS DU GOUVERNEMENT.

AVIS AUX MARINS.

No. 34 de 1884.

CHANGEMENT DES LUMIÈRES DU RANG SUPÉRIEURE, DANS L'ISLE STE. THERÈSE.

AVIS est par le présent donné, que les commissaires du havre de Montréal, ayant fait dévier le chenal creusé entre la Pointe-aux-Trembles et Varennes, sur le fleuve Saint-Laurent, en bas de Montréal, il est devenu nécessaire de placer les lumières du rang supérieures sur l'île Ste. Thérèse, qui indiquent cette partie du chenal, dans la direction est, afin d'indiquer le centre du dit chenal quand en ligne droite. Le changement a été effectué 23 octobre 1884.

La tour d'arrière, a été transportée à une distance de 700 pieds S.S.E. de sa première position et est maintenant située sur une charpente en bois au bas de la rive, du côté sud de l'île.

Lat. 45° 40' 37" N.
Long. 73° 27' 20" O.

La construction de cette tour est la même que ci-devant, elle a 42 pieds de hauteur à partir de la base à la girouette de la lumière. Le foyer de la lumière est maintenant 54 pieds au-dessus du niveau ordinaire du fleuve, en été.

La lumière du rang de devant a été enlevé de l'île Sainte-Thérèse, et est maintenant située sur un petit îlot, en haut de la rivière, connu sous le nom d'île aux Vaches. Elle est à environ 5,000 pieds S.-O. ¾ S. de la lumière d'arrière.

La tour est une petite construction en bois de forme hexagone, qui peut être enlevée tous les hivers, afin qu'elle ne soit pas endommagée par la glace.

Elle est érigée sur un pilier en bois, a 23 pieds de hauteur du pilier à la girouette de la lanterne. Le foyer de cette lumière est 29 pieds au-dessus du niveau ordinaire de l'eau.

Chaque tour est peinte en blanc, avec une ligne verticale rouge faisant face au chenal, et chaque lumière comme ci-devant, munie d'un réflecteur catoptrique visible jusqu'à six milles de distance en ligne du rang.

Des lumières temporaires pour indiquer cette ligne de rang ont été placées le 27 septembre 1884, et les lumières de l'ancienne ligne ont été allumées pour la dernière fois, le 15 novembre 1884.

DEMANDES AU PARLEMENT

PARLEMENT FÉDÉRAL

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, pre-
prement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas [illegible] pendant l'intervalle de temps [illegible] entre le début de la session précédente et la mise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de Chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $[illegible], plus le coût de l'impression de l'acte dans les statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

Et de plus, en conformité d'une Résolution adoptée par la Chambre des communes, le 20 avril 1883, il est ordonné que—

"Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails: et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et ré-imprimés à leurs frais, avant qu'aucun comité en examine les clauses.

J. G. BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

GOVERNMENT HOUSE, OTTAWA.

Tuesday, the 30th day of December, 1884.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the contagious disease of "Sheep Scab" prevails among sheep in parts of the Province of Quebec, especially in the Counties of Chambly and Laprairie;

And whereas the High Commissioner for Canada in London has reported to the Minister of Agriculture that among cargoes of sheep from the Dominion arriving at the port of Liverpool, animals affected with the disease of "Sheep Scab" have been found; such cargoes having in consequence been ordered to the Diseased Animals Wharf;

And whereas it has been reported to the Minister of Agriculture, by the Veterinary Inspectors of his Department, that the measures hitherto taken for the extirpation of the disease of "Sheep Scab" have not been sufficiently stringent and persistent; the disease having in consequence increased, particularly in the counties above named;

And whereas the Minister of Agriculture is of opinion that it is in the public interest of the Dominion, and also in the interest of the localities affected by this disease, that such steps should be taken as would be adequate to effect its extirpation:

On the recommendation of the Minister of Agriculture, and under the provisions of the Act of the Parliament of Canada, 42 Victoria, chapter 23, intituled "An Act to provide against infectious or contagious diseases affecting animals,"—His Excellency by and with the advice of the Queen's Privy Council for Canada has been pleased to make the following regulations:—

1. In order to provide for the segregation or isolation or otherwise dealing with animals affected with the disease of "Sheep Scab," a Veterinary Inspector, or other person appointed by Order in Council acting under the directions of the Minister of Agriculture, may declare any farm or place or common or yard, or any building, where such diseased animals are found, to be an infected place within the meaning of the Act aforesaid.

2. No person whatever except a Veterinary Inspector, or other person duly appointed as aforesaid, and acting under the direction of the Minister of Agriculture, shall remove any sheep from such infected place, and then only for the purpose of carrying into effect the provisions of said Act, under a penalty of two hundred dollars.

3. A Veterinary Inspector, or other person duly appointed as aforesaid, acting under direction from the Minister of Agriculture, may make a selection of a particular place or places within or without the limits of an infected district for the purpose, in such cases in which it may be considered advisable, of isolating and segregating such animals as may have been exposed to the disease of Sheep Scab. And such Veterinary Inspector, or other person duly authorized as aforesaid, shall alone have the power to order the removal of such animals, as he may consider advisable, to or from such selected places.

4. Such duly appointed Veterinary Inspector or other officer acting under the direction of the Minister of Agriculture, may, under the provisions of Section 14 of the Act aforesaid, order any animal found to be affected with Sheep Scab, or in contact with animals so affected, to be slaughtered; a compensation to an amount not exceeding two-thirds of the value of such animal before it became affected, to be paid to the owner thereof, but such compensation never to exceed the sum of four dollars for any one animal.

5. The value of such animals is to be, in all cases, appraised by a Veterinary Inspector, or other person appointed for that purpose by the Minister of Agriculture; but no compensation whatever is to be allowed in any case in which it is found that fraudulent attempts at concealment of such disease shall have been made; or in any case in which such animals shall have been removed from any place declared to be infected under the provisions of the Act aforesaid.

6. Any market, or railway yard, or pen, or wharf, or part or parts of such, or other place where sheep are exposed for sale, or where, or in which, they may be placed for the purpose of transit for removal to market, or from the Province, for the purpose of exportation, shall, in the event of any animal affected with the disease of Sheep Scab being found therein, by a Veterinary Inspector, or other person duly appointed by Order in Council, and acting under instructions from the Minister of Agriculture, on a declaration to that effect made by him, be held to be an infected place within the meaning of the Act aforesaid; no animal being allowed to be removed from such infected place, except on order of such duly appointed Veterinary Inspector, or other person aforesaid, under a penalty of two hundred dollars.

7. All sheds, out-houses, or places used for sheep affected by "Sheep Scab" must be thoroughly cleansed and disinfected under the directions of a Veterinary Inspector or duly appointed person.

His Excellency has been further pleased to direct that the Minister of Agriculture be, and he is hereby authorized to give effect to the foregoing Regulations, as well as generally to the provisions contained in the first seven sections of the Act before mentioned.

NOTICE TO MARINERS.

No. 34 of 1884.

CHANGE IN ILE STE. THÉRÈSE UPPER RANGE LIGHTS.

NOTICE is hereby given that the Montreal Harbor Commissioners having changed the location of the dredged channel between Pointe aux Trembles and Varennes, in the River St. Lawrence below Montreal, it has become necessary to remove the upper range lights on Ile Ste. Thérèse, which mark this part of the channel, to the eastward, so as to indicate when in line the middle of the same. The change was completed on 23rd October, 1884.

The back tower has been moved a distance of 700 feet S. S. E. from its former position, and now stands upon a cribwork block below the river bank on the South shore of the Island.

Lat. N. 45° 40' 37"
Long. W. 73° 27' 20"

The building is the same tower heretofore used, and is 42 feet high from the pier to the vane of the lantern. The focus of the light is now 54 feet above the ordinary summer level of the river.

The front range light has been removed off Ile Ste. Thérèse, and is now located upon a low islet further up stream known as Isle aux Vaches. It is distant about 5,000 feet S. W. $\frac{3}{4}$ S. from the back light.

The tower is a small hexagonal wooden building, capable of being removed every winter to prevent damage by ice. It stands upon a timber work pier, and is 23 feet high from the pier to the vane on the lantern. The focus of this light is 29 feet above the ordinary summer level of the water.

Each tower is painted white, with a red vertical stripe on the side facing the channel, and both lights are as heretofore fixed white catoptric, visible in the line of range 6 miles.

Temporary lights to indicate this line of range were instituted on the 27th September, 1884, and the lights on the old line of range were shown for the last time on the 15th November, 1884.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un rapport du ministre remplaçant le secrétaire d'Etat, daté du 22 décembre 1884, dans l'affaire de la pétition présentée en conformité de l'Acte de Tempérance du Canada, 1878, par un certain nombre d'électeurs du comté de Stanstead, dans la Province de Québec, établissant qu'il appert que les procédés de l'officier-rapporteur ont été faits suivant l'acte et que la pétition a été déclarée adoptée par les électeurs du dit comté,—

Il a plu à Son Excellence, sur la recommandation du ministre remplaçant le secrétaire d'Etat, de déclarer, et il est par les présentes déclaré que la deuxième partie de l'Acte de Tempérance du Canada, 1878, aura force et effet dans le dit comté de Stanstead, à partir du jour où les licences annuelles ou semi-annuelles pour la vente des liqueurs spiritueuses alors existantes dans le dit comté expireront, pourvu que tel jour soit éloigné d'au moins quatre-vingt-dix jours d'aujourd'hui, et s'il y a moins de quatre-vingt-dix jours, alors à la même date dans l'année prochaine; et s'il n'y a pas de licences en force dans le comté de Stanstead, qu'alors la dite deuxième partie du dit acte aura force et effet dans le dit comté après l'expiration de trente jours de la date des présentes.

JOHN J. McGEE,
27-3 Greffier du Conseil Privé.

HOTEL DU GOUVERNEMENT, OTTAWA.

Mardi, 30ème jour de décembre 1884.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que la maladie contagieuse de la gale sévit parmi les moutons dans certaines parties de la province de Québec, et spécialement dans les comtés de Chambly et de Laprairie;

Et attendu que le haut commissaire pour le Canada, à Londres, a fait rapport au ministre de l'Agriculture que dans les cargaisons de moutons expédiées de la Puissance et arrivant au port de Liverpool, il s'était trouvé des animaux atteints de la *gale des moutons*, et qu'en conséquence ces cargaisons avaient, par ordre, été envoyées au quai des animaux malades;

Et attendu qu'il a été fait rapport au ministre de l'Agriculture par les inspecteurs vétérinaires de son Ministère que les mesures prises jusqu'ici pour l'extirpation de cette maladie de la *gale des moutons*, n'avaient été ni assez sévères ni assez longuement appliquées, et qu'en conséquence la maladie s'était propagée, particulièrement dans les comtés mentionnés;

Et attendu que, dans l'opinion du ministre de l'Agriculture, il est de l'intérêt général de la Puissance comme de l'intérêt des localités infectées, qu'il soit pris des moyens suffisants pour extirper cette maladie;

Sur la recommandation du ministre de l'Agriculture et sous l'autorité de l'acte du parlement du Canada, 42 Victoria, chap. 23, intitulé "Un Acte pour mieux protéger les animaux contre les épizooties ou les maladies contagieuses qui les attaquent,"—

Son Excellence par et de l'avis du Conseil privé de Sa Majesté pour le Canada, a bien voulu statuer ce qui suit:

1. Afin d'isoler et renfermer dans certains cas ou disposer autrement des animaux atteints de la maladie de la gale des moutons, un inspecteur vétérinaire ou autre personne commise à cet effet par ordre en conseil, agissant sous les ordres du ministre de l'Agriculture pourra déclarer que telle ferme ou tel endroit, telle commune ou telle cour ou aucune bâtisse où on aura trouvé des animaux affectés de cette maladie, est un undroit infecté suivant le sens de l'acte suscité.

2. A l'exception de l'inspecteur vétérinaire ou autre personne commise à cet effet et agissant sous les ordres du ministre de l'Agriculture, nul ne fera sortir aucun mouton de tel endroit infecté, et ceux-là ne le pourront faire qu'afin d'exécuter les provisions du dit acte, à peine d'une amende de deux cents piastres.

3. Un inspecteur vétérinaire, ou autre personne dûment commise comme susdit, agissant sous la direction du ministre de l'Agriculture, pourra choisir, soit en dedans soit en dehors des limites de la localité infectée un ou des lieux particuliers afin que, dans le cas où l'on croirait la chose utile, on puisse y faire isoler et garder séparés les animaux qui auraient été exposés à la maladie de la gale des moutons; et tel inspecteur vétérinaire, ou autre personne dûment autorisée comme susdit, aura seul le pouvoir d'ordonner de conduire à tel endroit les animaux qu'il croira utile, comme aussi de les en faire sortir.

4. Tel inspecteur vétérinaire dûment nommé ou tel autre officier agissant sous la direction du ministre de l'Agriculture pourra, sous l'autorité de la section 14 du dit acte, ordonner de tuer tout animal trouvé être affecté de la gale des moutons, ou en contact avec des animaux ainsi affectés; il sera payé au propriétaire de l'animal une compensation n'excédant pas les deux tiers de la valeur de l'animal avant qu'il n'eût été atteint, mais telle compensation ne devant pas dépasser quatre piastres pour aucun animal.

5. La valeur des animaux sera, dans tous les cas, établie par un inspecteur vétérinaire, ou autre personne commise à cet effet par le ministre de l'Agriculture, mais il ne sera accordé aucune compensation dans aucun cas où on aura frauduleusement tenté de cacher la maladie, ni dans le cas où on aurait fait sortir tels animaux de l'endroit déclaré infecté, sous les dispositions de l'acte ci-dessus.

6. Tout marché, cour de chemin de fer, enclos, ou quai, ou parties d'iceux, ou autre endroit dans lequel des moutons sont exposés en vente, ou dans lequel ils ont été placés en attendant qu'on les conduise au marché ou qu'on les exporte en dehors de la province—au cas où un inspecteur vétérinaire ou autre personne dûment nommée par ordre en conseil et agissant en vertu d'instructions données par le ministre d'Agriculture y trouverait un animal affecté de la maladie de la gale des moutons, sur la déclarations faite par le dit inspecteur vétérinaire ou par telle autre personne, sera tenu pour un endroit infecté dans le sens de l'acte susdit; et aucun animal ne pourra être tiré de tel endroit infecté, excepté sur l'ordre de tel inspecteur vétérinaire ou autre personne susdite dûment nommée, sous peine d'une amende de deux cents piastres.

7. Tout hangar, appenti ou endroit occupé par des moutons affectés de la gale des moutons devra être complètement nettoyé et désinfecté sous la direction d'un inspecteur vétérinaire ou autre personne dûment nommée.

Il a plu à Son Excellence d'ordonner que le ministre de l'Agriculture soit, et il est par les présentes autorisé à mettre en force les règlements qui précèdent aussi bien que toutes les dispositions contenues dans les sept premières sections de l'acte déjà mentionné.

JOHN J. McGEE,
27-3 Greffier du Conseil privé.

AVIS AUX MARINS.

No. 34 de 1884.

CHANGEMENT DES LUMIÈRES DU RANG SUPÉRIEURE, DANS L'ISLE STE. THERÈSE.

AVIS est par le présent donné, que les commissaires du havre de Montréal, ayant fait dévier le chenal creusé entre la Pointe-aux-Trembles et Varennes, sur le fleuve Saint-Laurent, en bas de Montréal, il est devenu nécessaire de placer les lumières du rang supérieures sur l'île Ste. Thérèse, qui indiquent cette partie du chenal, dans la direction est, afin d'indiquer le centre du dit chenal quand en ligne droite. Le changement a été effectué 23 octobre 1884.

La tour d'arrière, a été transportée à une distance de 700 pieds S.S.E. de sa première position et est maintenant située sur une charpente en bois au bas de la rive, du côté sud de l'île.

Lat. 45° 40' 37" N.
Long. 73° 27' 20" O.

La construction de cette tour est la même que ci-devant, elle a 42 pieds de hauteur à partir de la base à la girouette de la lumière. Le foyer de la lumière est maintenant 54 pieds au-dessus du niveau ordinaire du fleuve, en été.

La lumière du rang de devant a été enlevé de l'île Sainte-Thérèse, et est maintenant située sur un petit îlot, en haut de la rivière, connu sous le nom d'île aux Vaches. Elle est à environ 5,000 pieds S. O. $\frac{3}{4}$ S. de la lumière d'arrière.

La tour est une petite construction en bois de forme hexagone, qui peut être enlevée tous les hivers, afin qu'elle ne soit pas endommagée par la glace.

Elle est érigée sur un pilier en bois, a 23 pieds de hauteur du pilier à la girouette de la lanterne. Le foyer de cette lumière est 29 pieds au-dessus du niveau ordinaire de l'eau.

Chaque tour est peinte en blanc, avec une ligne verticale rouge faisant face au chenal, et chaque lumière comme ci-devant, munie d'un réflecteur catoptrique visible jusqu'à six milles de distance en ligne du rang.

Des lumières temporaires pour indiquer cette ligne de rang ont été placées le 27 septembre 1884, et les lumières de l'ancienne ligne ont été allumées pour la dernière fois, le 15 novembre 1884.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

Et de plus, en conformité d'une Résolution adoptée par la Chambre des communes, le 20 avril 1883, il est ordonné que—

"Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et ré-imprimés à leurs frais, avant qu'aucun comité en examine les clauses.

J. G. BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y parait pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

GOVERNMENT HOUSE, OTTAWA.

Tuesday, the 30th day of December, 1884.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the contagious disease of "Sheep Scab" prevails among sheep in parts of the Province of Quebec, especially in the Counties of Chambly and Laprairie;

And whereas the High Commissioner for Canada in London has reported to the Minister of Agriculture that among cargoes of sheep from the Dominion arriving at the port of Liverpool, animals affected with the disease of "Sheep Scab" have been found; such cargoes having in consequence been ordered to the Diseased Animals Wharf;

And whereas it has been reported to the Minister of Agriculture, by the Veterinary Inspectors of his Department, that the measures hitherto taken for the extirpation of the disease of "Sheep Scab" have not been sufficiently stringent and persistent; the disease having in consequence increased, particularly in the counties above named;

And whereas the Minister of Agriculture is of opinion that it is in the public interest of the Dominion, and also in the interest of the localities affected by this disease, that such steps should be taken as would be adequate to effect its extirpation:

On the recommendation of the Minister of Agriculture, and under the provisions of the Act of the Parliament of Canada, 42 Victoria, chapter 23, intituled "An Act to provide against infectious or contagious diseases affecting animals,"—His Excellency by and with the advice of the Queen's Privy Council for Canada has been pleased to make the following regulations:—

1. In order to provide for the segregation or isolation or otherwise dealing with animals affected with the disease of "Sheep Scab," a Veterinary Inspector, or other person appointed by Order in Council acting under the directions of the Minister of Agriculture, may declare any farm or place or common or yard, or any building, where such diseased animals are found, to be an infected place within the meaning of the Act aforesaid.

2. No person whatever except a Veterinary Inspector, or other person duly appointed as aforesaid, and acting under the direction of the Minister of Agriculture, shall remove any sheep from such infected place, and then only for the purpose of carrying into effect the provisions of said Act, under a penalty of two hundred dollars.

3. A Veterinary Inspector, or other person duly appointed as aforesaid, acting under direction from the Minister of Agriculture, may make a selection of a particular place or places within or without the limits of an infected district for the purpose, in such cases in which it may be considered advisable, of isolating and segregating such animals as may have been exposed to the disease of Sheep Scab. And such Veterinary Inspector, or other person duly authorized as aforesaid, shall alone have the power to order the removal of such animals, as he may consider advisable, to or from such selected places.

4. Such duly appointed Veterinary Inspector or other officer acting under the direction of the Minister of Agriculture, may, under the provisions of Section 14 of the Act aforesaid, order any animal found to be affected with Sheep Scab, or in contact with animals so affected, to be slaughtered; a compensation to an amount not exceeding two thirds of the value of such animal before it became affected,

to be paid to the owner thereof, but such compensation never to exceed the sum of four dollars for any one animal.

5. The value of such animals is to be, in all cases, appraised by a Veterinary Inspector, or other person appointed for that purpose by the Minister of Agriculture; but no compensation whatever is to be allowed in any case in which it is found that fraudulent attempts at concealment of such disease shall have been made; or in any case in which such animals shall have been removed from any place declared to be infected under the provisions of the Act aforesaid.

6. Any market, or railway yard, or pen, or wharf, or part or parts of such, or other place where sheep are exposed for sale, or where, or in which, they may be placed for the purpose of transit for removal to market, or from the Province, for the purpose of exportation, shall, in the event of any animal affected with the disease of Sheep Scab being found therein, by a Veterinary Inspector, or other person duly appointed by Order in Council, and acting under instructions from the Minister of Agriculture, on a declaration to that effect made by him, be held to be an infected place within the meaning of the Act aforesaid; no animal being allowed to be removed from such infected place, except on order of such duly appointed Veterinary Inspector, or other person aforesaid, under a penalty of two hundred dollars.

7. All sheds, out-houses, or places used for sheep affected by "Sheep Scab" must be thoroughly cleansed and disinfected under the directions of a Veterinary Inspector or duly appointed person.

His Excellency has been further pleased to direct that the Minister of Agriculture be, and he is hereby authorized to give effect to the foregoing Regulations, as well as generally to the provisions contained in the first seven sections of the Act before mentioned.

The back tower has been moved a distance of 700 feet S. S. E. from its former position, and now stands upon a cribwork block below the river bank on the South shore of the Island.

Lat. N. 45° 40' 37"
Long. W. 73° 27' 20"

The building is the same tower heretofore used, and is 42 feet high from the pier to the vane of the lantern. The focus of the light is now 54 feet above the ordinary summer level of the river.

The front range light has been removed off Ile Ste. Thérèse, and is now located upon a low islet further up stream known as Isle aux Vaches. It is distant about 5,000 feet S. W. ¾ S. from the back light.

The tower is a small hexagonal wooden building, capable of being removed every winter to prevent damage by ice. It stands upon a timber work pier, and is 23 feet high from the pier to the vane on the lantern. The focus of this light is 29 feet above the ordinary summer level of the water.

Each tower is painted white, with a red vertical stripe on the side facing the channel, and both lights are as heretofore fixed white catoptric, visible in the line of range 6 miles.

Temporary lights to indicate this line of range were instituted on the 27th September, 1884, and the lights on the old line of range were shown for the last time on the 15th November, 1884.

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in paper in the nearest District, in which a newspaper is published.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un rapport du ministre remplaçant le secrétaire d'État, daté du 22 décembre 1884, dans l'affaire de la pétition présentée en conformité de l'Acte de Tempérance du Canada, 1878, par un certain nombre d'électeurs du comté de Stanstead, dans la Province de Québec, établissant qu'il appert que les procédés de l'officier-rapporteur ont été faits suivant l'acte et que la pétition a été déclarée adoptée par les électeurs du dit comté,—

Il a plu à Son Excellence, sur la recommandation du ministre remplaçant le secrétaire d'Etat, de déclarer, et il est par les présentes déclaré que la deuxième partie de l'Acte de Tempérance du Canada, 1878, aura force et effet dans le dit comté de Stanstead, à partir du jour où les licences annuelles ou semi-annuelles pour la vente des liqueurs spiritueuses alors existantes dans le dit comté expireront, pourvu que tel jour soit éloigné d'au moins quatre-vingt-dix jours d'aujourd'hui, et s'il y a moins de quatre-vingt-dix jours, alors à la même date dans l'année prochaine ; et s'il n'y a pas de licences en force dans le comté de Stanstead, qu'alors la dite deuxième partie du dit acte aura force et effet dans le dit comté après l'expiration de trente jours de la date des présentes.

JOHN J. McGEE,
27-3 Greffier du Conseil Privé.

HOTEL DU GOUVERNEMENT, OTTAWA.

Mardi, 30ème jour de décembre 1884.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que la maladie contagieuse de la gale sévit parmi les moutons dans certaines parties de la province de Québec, et spécialement dans les comtés de Chambly et de Laprairie ;

Et attendu que le haut commissaire pour le Canada, à Londres, a fait rapport au ministre de l'Agriculture que dans les cargaisons de moutons expédiées de la Puissance et arrivant au port de Liverpool, il s'était trouvé des animaux atteints de la *gale des moutons*, et qu'en conséquence ces cargaisons avaient, par ordre, été envoyées au quai des animaux malades ;

Et attendu qu'il a été fait rapport au ministre de l'Agriculture par les inspecteurs vétérinaires de son Ministère que les mesures prises jusqu'ici pour l'extirpation de cette maladie de la *gale des moutons*, n'avaient été ni assez sévères ni assez longuement appliquées, et qu'en conséquence la maladie s'était propagée, particulièrement dans les comtés mentionnés ;

Et attendu que, dans l'opinion du ministre de l'Agriculture, il est de l'intérêt général de la Puissance comme de l'intérêt des localités infectées, qu'il soit pris des moyens suffisants pour extirper cette maladie ;

Sur la recommandation du ministre de l'Agriculture et sous l'autorité de l'acte du parlement du Canada, 42 Victoria, chap. 23, intitulé " Un Acte pour mieux protéger les animaux contre les épizooties ou les maladies contagieuses qui les attaquent,"—

Son Excellence par et de l'avis du Conseil privé de Sa Majesté pour le Canada, a bien voulu statuer ce qui suit :

1. Afin d'isoler et renfermer dans certains cas ou disposer autrement des animaux atteints de la maladie de la gale des moutons, un inspecteur vétérinaire ou autre personne commise à cet effet par ordre en conseil, agissant sous les ordres du ministre de l'Agriculture pourra déclarer que telle ferme ou tel endroit, telle commune ou telle cour ou aucune bâtisse où on aura trouvé des animaux affectés de

cette maladie, est un endroit infecté suivant le sens de l'acte suscité.

2. A l'exception de l'inspecteur vétérinaire ou autre personne commise à cet effet et agissant sous les ordres du ministre de l'Agriculture, nul ne fera sortir aucun mouton de tel endroit infecté, et ceux-là ne le pourront faire qu'afin d'exécuter les provisions du dit acte, à peine d'une amende de deux cents piastres.

3. Un inspecteur vétérinaire, ou autre personne dûment commise comme susdit, agissant sous la direction du ministre de l'Agriculture, pourra choisir, soit en dedans soit en dehors des limites de la localité infectée un ou des lieux particuliers afin que, dans le cas où l'on croirait la chose utile, on puisse y faire isoler et garder séparés les animaux qui auraient été exposés à la maladie de la gale des moutons ; et tel inspecteur vétérinaire, ou autre personne dûment autorisée comme susdit, aura seul le pouvoir d'ordonner de conduire à tel endroit les animaux qu'il croira utile, comme aussi de les en faire sortir.

4. Tel inspecteur vétérinaire dûment nommé ou tel autre officier agissant sous la direction du ministre de l'Agriculture pourra, sous l'autorité de la section 14 du dit acte, ordonner de tuer tout animal trouvé être affecté de la gale des moutons, ou en contact avec des animaux ainsi affectés ; il sera payé au propriétaire de l'animal une compensation n'excédant pas les deux tiers de la valeur de l'animal avant qu'il n'eût été atteint, mais telle compensation ne devant pas dépasser quatre piastres pour aucun animal.

5. La valeur des animaux sera, dans tous les cas, établie par un inspecteur vétérinaire, ou autre personne commise à cet effet par le ministre de l'Agriculture, mais il ne sera accordé aucune compensation dans aucun cas où on aura frauduleusement tenté de cacher la maladie, ni dans le cas où on aurait fait sortir tels animaux de l'endroit déclaré infecté, sous les dispositions de l'acte ci-dessus.

6. Tout marché, cour de chemin de fer, enclos, ou quai, ou parties d'iceux, ou autre endroit dans lequel des moutons sont exposés en vente, ou dans lequel ils ont été placés en attendant qu'on les conduise au marché ou qu'on les exporte en dehors de la province—au cas où un inspecteur vétérinaire ou autre personne dûment nommée par ordre en conseil et agissant en vertu d'instructions données par le ministre d'Agriculture y trouverait un animal affecté de la maladie de la gale des moutons, sur la déclarations faite par le dit inspecteur vétérinaire ou par telle autre personne, sera tenu pour un endroit infecté dans le sens de l'acte susdit ; et aucun animal ne pourra être tiré de tel endroit infecté, excepté sur l'ordre de tel inspecteur vétérinaire ou autre personne susdite dûment nommée, sous peine d'une amende de deux cents piastres.

7. Tout hangar, appenti ou endroit occupé par des moutons affectés de la gale des moutons devra être complètement nettoyé et désinfecté sous la direction d'un inspecteur vétérinaire ou autre personne dûment nommée.

Il a plu à Son Excellence d'ordonner que le ministre de l'Agriculture soit, et il est par les présentes autorisé à mettre en force les règlements qui précèdent aussi bien que toutes les dispositions contenues dans les sept premières sections de l'acte déjà mentionné.

JOHN J. McGEE,
27–3 Greffier du Conseil privé.

AVIS DU GOUVERNEMENT.

AVIS public est donné par le présent, que des lettres patentes supplémentaires en date du troisième jour de janvier mil huit cent quatre-vingt-cinq, ont été émises sous le grand sceau du Canada, en vertu de "l'Acte des compagnies par actions en Canada, 1877," par lesquelles le capital social de "La ligne Sincennes-McNaughton" est réduit de deux cent mille piastres à cinquante mille piastres.

Daté au bureau du Secrétaire d'Etat du Canada, ce neuvième jour de janvier 1885.

28-3 Secrétaire d'Etat.

AVIS AUX MARINS.

No. 34 de 1884.

CHANGEMENT DES LUMIÈRES DU RANG SUPÉRIEURE, DANS L'ISLE STE. THERÈSE.

AVIS est par le présent donné, que les commissaires du havre de Montréal, ayant fait dévier le chenal creusé entre la Pointe aux-Trembles et Varennes, sur le fleuve Saint-Laurent, en bas de Montréal, il est devenu nécessaire de placer les lumières du rang supérieures sur l'île Ste. Thérèse, qui indiquent cette partie du chenal, dans la direction est, afin d'indiquer le centre du dit chenal quand en ligne droite. Le changement a été effectué 23 octobre 1884.

La tour d'arrière, a été transportée à une distance de 700 pieds S.S.E. de sa première position et est maintenant située sur une charpente en bois au bas de la rive, du côté sud de l'île.

Lat. 45° 40' 37" N.
Long. 73° 27' 20" O.

La construction de cette tour est la même que ci devant, elle a 42 pieds de hauteur à partir de la base à la girouette de la lumière. Le foyer de la lumière est maintenant 54 pieds au-dessus du niveau ordinaire du fleuve, en été.

La lumière du rang de devant a été enlevé de l'île Sainte-Thérèse, et est maintenant située sur un petit îlot, en haut de la rivière, connu sous le nom d'île aux Vaches. Elle est à environ 5,000 pieds S.-O. ¾ S. de la lumière d'arrière.

La tour est une petite construction en bois de forme hexagone, qui peut être enlevée tous les hivers, afin qu'elle ne soit pas endommagée par la glace.

Elle est érigée sur un pilier en bois, a 23 pieds de hauteur du pilier à la girouette de la lanterne. Le foyer de cette lumière est 29 pieds au-dessus du niveau ordinaire de l'eau.

Chaque tour est peinte en blanc, avec une ligne verticale rouge faisant face au chenal, et chaque lumière comme ci-devant, munie d'un réflecteur catoptrique visible jusqu'à six milles de distance en ligne du rang.

Des lumières temporaires pour indiquer cette ligne de rang ont été placées le 27 septembre 1884, et les lumières de l'ancienne ligne ont été allumées pour la dernière fois, le 15 novembre 1834.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

Et de plus, en conformité d'une Résolution adoptée par la Chambre des communes, le 20 avril 1883, il est ordonné que—

"Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et ré-imprimés à leurs frais, avant qu'aucun comité en examine les clauses.

J. G. BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y parait pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

A PROCLAMATION.

GEO. W. BURBIDGE, Deputy of the Minister of Justice, Canada. } WHEREAS it is, in and by an Act of the Parliament of Canada, passed in the forty-seventh year of Our Reign, chaptered twenty-six, known as "The Mani-

toba Land Claims Act, 1884," amongst other things in effect enacted, that in order that all persons having or intending to prefer any claims referred to in the said Act may be fully apprised of the provisions of the said Act, the Governor in Council may cause proclamation of the said Act to be made;

And whereas an Order of Our Governor General in Council was passed on the seventeenth day of January in the year of Our Lord, one thousand eight hundred and eighty-five, ordering and directing that a proclamation do issue accordingly,—

Now Know Ye that We do hereby, and by virtue of the authority vested in Us by the said Act and Order in Council, proclaim and declare that an Act of the Parliament of Canada was passed in the forty-seventh year of Our Reign, chaptered twenty-six, and intituled "An Act to extend the limitation of time under the Act forty-third Victoria, chapter seven, intituled 'An Act for the final settlement of claims to lands in Manitoba by occupancy, under the Act thirty-third Victoria, chapter three,'" in the words and figures following, that is to say:—

Whereas by the Act passed in the forty-third year of the reign of Her present Majesty, chaptered seven, and intituled "An Act for the final settlement of claims to lands in Manitoba by occupancy, under the Act thirty-third Victoria, chapter three," it was provided that from and after the first day of May in the year of Our Lord, one thousand eight hundred and eighty-two, all and every the rights and claims given by the third and fourth sub-sections of the thirty-second section of the Act thirty-third Victoria, chapter three, or by any Act amending or referring to the same, should, in so far as respects rights to grants from the Crown, with respect to which application had not been made to the Department of the Interior before that day, cease and determine; and also that such claims made before that day but which had not, before the expiration of six months after that day, been established to the satisfaction of the Minister of the Interior, should be barred as fully and effectually as if such claims had not been made, saving claims made before that day and which, before the expiration of six months after that day had been referred to the Commissioner or Commissioners under the Act thirty-eighth Victoria, chapter fifty-three; and, whereas it is expedient to extend the time for making such claims: Therefore Her Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:—

1. The Act firstly mentioned in the preamble of this Act shall be read and construed as if the first day of May in the year of Our Lord one thousand eight hundred and eighty-six had been enacted instead of the first day of May in the year of Our Lord one thousand eight hundred and eighty-two, as the date from and after which such rights should cease, and as the limit of time for making claims to such grants.

2. And that all persons having, or intending to prefer, any such claims as aforesaid, may be fully apprised of the provisions of this Act, the Governor in Council may cause Proclamation of this Act to be made.

3. This Act may be cited for all purposes as "The Manitoba Land Claims Act, 1884."

Of all which Our loving subjects and all others whom these presents may concern, are hereby required to take notice and to govern themselves accordingly.

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in paper in the nearest District, in which a newspaper is published.

PROCLAMATION.

GEO. W. BURBIDGE, Député du Ministre de la Justice, Canada.

ATTENDU que par et en vertu d'un acte du Parlement du Canada passé en la quarante-septième année de Notre Règne, chapitre vingt-six, connu comme "l'Acte sur les réclamations de terres dans le Manitoba, 1884," il est, entre autres choses, statué, qu'afin que les personnes qui ont, ou qui entendent présenter des réclamations telles que mentionnées dans le dit acte, puissent utilement prendre connaissance des dispositions du dit acte, le Gouverneur en conseil pourra le faire publier par proclamation ;

Et considérant qu'un ordre de Notre Gouverneur Général en conseil a été passé le dix-septième jour de janvier, en l'année de Notre-Seigneur mil huit cent quatre-vingt cinq, ordonnant et décrétant qu'une proclamation soit émanée en conséquence,—

Sachez, maintenant, que par les présentes et en vertu de l'autorité qui Nous est conférée par le dit acte et un ordre en conseil, Nous proclamons et déclarons qu'un acte du Parlement du Canada a été passé en la quarante-septième année de Notre règne, chapitre vingt-six et intitulé "Acte pour prolonger le délai fixé par l'acte quarante-trois Victoria, chapitre sept, intitulé 'Acte à l'effet de régler définitivement les réclamations de terres dans le Manitoba par suite d'occupation, en vertu de l'acte trente-trois Victoria, chapitre trois,'" en la forme et teneur suivantes, savoir :—

Considérant que l'acte passé en la quarante-troisième année du règne de Sa Majesté, chapitre sept, intitulé "Acte à l'effet de régler définitivement les réclamations de terres dans le Manitoba par suite d'occupation, en vertu de l'acte trente-trois Victoria, chapitre trois," porte que, à partir du premier jour de mai de l'an de Notre-Seigneur mil huit cent quatre-vingt-deux, tous les droits reconnus et conférés par les troisième et quatrième paragraphes de la trente-deuxième section de l'acte trente-trois Victoria, chapitre trois, ou par tout acte qui l'amende ou s'y réfère, seraient, en ce qui a rapport aux droits à des concessions de la part de la Couronne à l'égard desquelles il n'aurait pas été formulé de demandes au département de l'Intérieur avant ce jour là, périmés et éteints ; et porte aussi que toutes réclamations faites avant le dit jour, mais qui n'auraient pas été établies avant l'expiration de six mois à compter de ce même jour, à la satisfaction du ministre de l'Intérieur, seraient prescrites aussi complètement et effectivement que si elles n'eussent pas été faites ; à la réserve, toutefois, des réclamations présentées antérieurement au dit jour, et qui, avant l'expiration de six mois ensuite, auraient été renvoyées au commissaire ou aux commissaires, en vertu de l'acte trente-huit Victoria, chapitre cinquante-trois ; et considérant qu'il est à propos de prolonger le délai ainsi fixé pour la présentation de semblables réclamations : A ces causes, Sa Majesté, par et avec l'avis et le consentement du Sénat et de la Chambre des Communes du Canada, décrète ce qui suit :

1. L'acte en premier lieu mentionné au préambule du présent acte, se lira et s'entendra comme si le premier jour de mai mil huit cent quatre-vingt-six eût été fixé au lieu du premier jour de mai mil huit cent quatre-vingt-deux, comme la date à laquelle doivent cesser les droits en question et comme la limite du délai dans lequel doivent être produites les dites réclamations de concessions.

2. Afin que les personnes qui ont, ou qui entendent présenter des réclamations telles que celles ci-dessus puissent utilement prendre connaissance des dispositions du présent acte, le Gouverneur en conseil pourra le faire publier par proclamation.

3. Le présent acte pourra être cité à toutes fins sous le titre de l' "Acte sur les réclamations de terres dans le Manitoba, 1884."

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes.

—

Et de plus, en conformité d'une Résolution adoptée par la Chambre des communes, le 20 avril 1883, il est ordonné que—

"Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et ré-imprimés à leurs frais, avant qu'aucun comité en examine les clauses.

J. G. BOURINOT,
Greffier des Communes.

—

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y parait pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

APPOINTMENTS.

DEPARTMENT OF THE SECRETARY OF STATE OF CANADA.

His Excellency the Governor General has been pleased to make the following appointment, viz:—

Ottawa, 2nd October, 1884.

Henry Thomas Ridley, of the City of Hamilton, in the Province of Ontario, Esquire, M.D.; to be Medical Examiner in and for the City of Hamilton, in the said Province, under sub-sec. 3 of sec. 49 of the Act 47 Vict., chap. 15, intituled "An Act to amend the Civil Service Acts of 1882 and 1883."

CHAMBER OF THE SENATE.

Ottawa, Thursday, 29th January, 1885.

This day, at Three o'clock P.M., His Excellency the Governor General proceeded in state to the Chamber of the Senate, in the Parliament Buildings, and took his seat upon the Throne. The Members of the Senate being assembled, His Excellency was pleased to command the attendance of the House of Commons, and that House being present, His Excellency was pleased to open the Third Session of the Fifth Parliament of the Dominion of Canada, with the following Speech:—

Honourable Gentlemen of the Senate,

Gentlemen of the House of Commons:

In again meeting you for the despatch of business I have to congratulate you on the abundant harvest with which Providence has blessed our Country and upon the general condition of the Dominion. Its commercial prosperity, although it has to some extent shared in the depression which has prevailed in Great Britain and in the neighbouring Republic, rests upon foundations which no temporary or partial disturbance can remove.

I trust that the present year will be one of peace and progress.

The flow of population into Manitoba and the North-West Territories, although impeded by various and unexpected causes, has been substantial, and the testimony of members of the British Association and other visitors of the North-West last summer as to the well-being, contentment, and hopefulness of the settlers, is most gratifying.

A Bill introducing into those Territories a more simple and economical system for the transfer of land will be laid before you.

The Report of the Commission for the consolidation of the Statutes affecting the Dominion has been completed and will be submitted to you for legislative action.

You are again invited to consider a measure relating to the representation of the people in Parliament and for the assimilation of the Electoral Franchises in the several Provinces.

A provisional arrangement of matters for some time under discussion with the Government of Manitoba has been entered into, and a measure confirming the same will be submitted to you so soon as it has been accepted by the Provincial Legislature.

I deemed it expedient to issue during the recess a Commission to consider and report upon the whole subject of Chinese Immigration with reference to its trade relations, as well as to those social and moral objections which have been taken to the influx of the Chinese people into Canada.

The Report of the Commissioners is very nearly completed, and will be laid before you during the present Session.

The necessity of encouraging the speedy construction of lines of Railway through the North-West Territories has pressed itself on my Government, and you will be asked to aid Railway enterprise by liberal grants of land.

Urgent representations have been made by the Boards of Trade of the chief towns in Canada, as well as by some of the Chambers of Commerce in Great Britain, of the necessity that exists for the adoption of some system of Bankruptcy or Insolvency giving adequate protection against undue preferences, and your attention to this important subject is earnestly invited.

In pursuance of the vote of last Session I caused a vessel to be fitted out and dispatched to Davis' Straits and Hudson's Bay, in order to obtain more accurate information as to the navigation of those waters, and test the practicability of the route for commercial purposes.

A report of the progress of the expedition during the last season will be laid before you.

An International Exhibition will be opened at Antwerp during the present year, and a Colonial and Indian Exhibition is to be held in London in 1886. Canada should, I think, be represented in her various manufactures and natural productions on both occasions, and I invoke your consideration of the best means of aiding in these important objects.

Several other measures of importance will be submitted to you; among them will be Bills to amend the Insurance Act of 1877, the Civil Service Act, and the law relating to contagious diseases among cattle, as well as measures for taking, at an early period, a census of the population of the North-West Territories, and one relating to the North-West Mounted Police.

Gentlemen of the House of Commons:

The accounts for the past fiscal year will be laid before you. You will find that notwithstanding the very considerable reduction in the prices and volume of many of the leading imports, the income has exceeded the expenditure chargeable to Consolidated Revenue.

The Estimates for the ensuing year will also be submitted. They will be found, I trust, to have been prepared with due regard to economy.

Honourable Gentlemen of the Senate,

Gentlemen of the House of Commons:

I am sure that your earnest consideration will be given to the subjects I have mentioned, as well as to every matter which may affect the prosperity and good government of Canada.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., &c., &c.

To all to whom these presents shall come, or whom the same may in anywise concern,—Greeting:

A PROCLAMATION.

GEO. W. BURBIDGE, Deputy of the Minister of Justice, Canada. } WHEREAS it is, in and by an Act of the Parliament of Canada, passed in the forty-seventh year of Our Reign, chaptered twenty-six, known as "The Manitoba Land Claims Act, 1884," amongst other things in effect enacted, that in order that all persons having or intending to prefer any claims referred to in the said Act may be fully apprised of the provisions of the said Act, the Governor in Council may cause proclamation of the said Act to be made;

And whereas an Order of Our Governor General in Council was passed on the seventeenth day of January in the year of Our Lord, one thousand eight hundred and eighty-five, ordering and directing that a proclamation do issue accordingly,—

Now Know Ye that We do hereby, and by virtue of the authority vested in Us by the said Act and Order in Council, proclaim and declare that an Act of the Parliament of Canada was passed in the forty-seventh year of Our Reign, chaptered twenty-six, and intituled "An Act to extend the limitation of time under the Act forty-third Victoria, chapter seven, intituled 'An Act for the final settlement of claims to lands in Manitoba by occupancy, under the Act thirty-third Victoria, chapter three,'" in the words and figures following, that is to say:—

Whereas by the Act passed in the forty-third year of the reign of Her present Majesty, chaptered seven, and intituled "An Act for the final settlement of claims to lands in Manitoba by occupancy, under the Act thirty-third Victoria, chapter three," it was provided that from and after the first day of May in the year of Our Lord, one thousand eight hundred and eighty-two, all and every the rights and claims given by the third and fourth sub-sections of the thirty-second section of the Act thirty-third Victoria, chapter three, or by any Act amending or referring to the same, should, in so far as respects rights to grants from the Crown, with respect to which application had not been made to the Department of the Interior before that day, cease and determine; and also that such claims made before that day but which had not, before the expiration of six months after that day, been established to the satisfaction of the Minister of the Interior, should be barred as fully and effectually as if such claims had not been made, saving claims made before that day and which, before the expiration of six months after that day had been referred to the Commissioner or Commissioners under the Act thirty-eighth Victoria, chapter fifty-three; and, whereas it is expedient to extend the time for making such claims: Therefore Her Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:—

1. The Act firstly mentioned in the preamble of this Act shall be read and construed as if the first day of May in the year of Our Lord one thousand eight hundred and eighty-six had been enacted instead of the first day of May in the year of Our Lord one thousand eight hundred and eighty-two, as the date from and after which such rights should cease, and as the limit of time for making claims to such grants.

2. And that all persons having, or intending to prefer, any such claims as aforesaid, may be fully apprised of the provisions of this Act, the Governor in Council may cause Proclamation of this Act to be made.

3. This Act may be cited for all purposes as "The Manitoba Land Claims Act, 1884."

Of all which Our loving subjects and all others whom these presents may concern, are hereby required to take notice and to govern themselves accordingly.

In Testimony Whereof, We have caused these Our Letters to be made Patent and the Great Seal of Canada to be hereunto affixed. CHAMBRE DU SÉNAT.

Ottawa, jeudi, 29 janvier 1885.

Aujourd'hui, à Trois heures P.M., Son Excellence le Gouverneur Général s'est rendue, avec le cérémonial ordinaire, à la Chambre du Sénat, dans l'édifice du parlement, et a pris son siège sur le Trône. Les Membres du Sénat étant assemblés, il a plu à Son Excellence d'y faire requérir la présence des Communes, et cette Chambre s'y étant rendue, Son Excellence a ouvert la Troisième Session du Cinquième Parlement de la Puissance du Canada, par le discours suivant :—

Honorables Messieurs du Sénat,

Messieurs de la Chambre des Communes :

En ouvrant cette nouvelle session du parlement, je dois vous féliciter de l'abondante moisson que la divine Providence nous a accordée et de la situation générale du pays. La prospérité de notre commerce, bien qu'il ait ressenti les effets de la dépression qui a prévalu dans la Grande-Bretagne et dans la république voisine, repose sur des bases qu'aucune perturbation temporaire ou partielle ne peut ébranler.

J'ai confiance que la présente année sera une année de paix et de progrès.

Le courant de population vers le Manitoba et les territoires du Nord-Ouest a rencontré des obstacles variés et inattendus, mais il n'en a pas moins été considérable, et nous devons nous féliciter du témoignage qu'ont rendu les membres de l'Association Britannique et les autres qui ont visité le Nord-Ouest l'été dernier, relativement au bien-être, au contentement et au bon espoir des colons.

Il vous sera présenté un projet de loi introduisant dans ces Territoires un mode plus simple et plus économique pour le transfert de la propriété foncière.

Le travail de la commission de consolidation des Statuts concernant la Puissance est complété, et il vous sera présenté pour être soumis à l'action du Parlement.

Vous êtes de nouveau invités à étudier un projet de loi relatif à la représentation du peuple dans le Parlement et à l'assimilation du cens électoral dans les différentes provinces.

Il a été fait un arrangement provisoire avec le gouvernement du Manitoba sur des matières en discussion depuis quelque temps, et une loi vous sera proposée pour confirmer cet arrangement dès qu'il aura été accepté par la législature provinciale.

J'ai cru qu'il était expédient de nommer, pendant la vacance, une commission pour faire et consigner dans un rapport une étude complète de l'immigration chinoise en tant qu'elle affecte le commerce et aussi au point de vue des objections sociales et morales qu'a soulevées l'affluence des Chinois au Canada.

Le rapport des commissaires est presque terminé et il vous sera présenté au cours de la présente session.

La nécessité d'encourager la construction rapide de lignes de chemins de fer parcourant les Territoires du Nord-Ouest s'est fait sentir à mon gouvernement, et il vous sera demandé d'aider à la construction de ces chemins de fer par de libérales concessions de terres.

Les chambres de commerce des principales villes du Canada, ainsi que de quelques-unes de la Grande-Bretagne, ont fait des représentations urgentes sur la nécessité qu'il y a d'adopter quelque régime de banqueroute ou d'insolvabilité donnant une protection suffisante contre les préférences injustes, et j'appelle sérieusement votre attention sur cet important sujet.

Conformément au vote de la dernière session j'ai fait équipper un bâtiment qui a été expédié au détroit de Davis et à la baie d'Hudson dans le but d'obtenir des renseignements plus exacts sur la navigation de ces mers et de constater la possibilité d'utiliser cette route pour les fins du commerce.

Le rapport des travaux de l'expédition, pendant la dernière saison, vous sera présenté.

Une exposition internationale doit s'ouvrir à Anvers, dans le cours de cette année, et une exposition coloniale et des Indes se tiendra à Londres en 1886. Le Canada devrait, je le pense, être représenté, dans ces deux occasions, par le produit varié de ses manufactures et les productions de son sol, et je vous invite à étudier les meilleurs moyens d'aider à atteindre ce but important.

Plusieurs autres mesures de conséquence vous seront proposées ; entre autres des projets de loi pour modifier l'Acte des Assurances de 1877, l'Acte du Service civil, et la loi relative aux maladies contagieuses des bestiaux, ainsi qu'un projet de loi pour faire, à une époque rapprochée, le recensement de la population des Territoires du Nord-Ouest et un autre relatif à la police à cheval du Nord-Ouest.

Messieurs de la Chambre des Communes :

Les comptes du dernier exercice vous seront soumis. Vous verrez que, malgré la réduction considérable en valeur et en quantité de beaucoup de nos importations les plus importantes, les revenus excèdent les dépenses imputables sur les revenus consolidés.

Le budget de l'exercice prochain vous sera aussi présenté. Vous trouverez, je l'espère, qu'il a été préparé dans un esprit d'économie.

Honorables messieurs du Sénat :

Messieurs de la Chambre des Communes :

Je suis convaincu que vous ferez une étude sérieuse des sujets que j'ai mentionnés ainsi que de toute autre matière qui peut intéresser la prospérité et le bon gouvernement du Canada.

[L.S.]

CANADA.

VICTORIA, par la Grâce de Dieu, Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, Défenseur de la Foi, etc., etc.

A tous ceux qui les présentes verront ou qu'icelles pourront concerner,—SALUT :

PROCLAMATION.

GEO. W. BURBIDGE, Député du Ministre de la Justice, Canada. } ATTENDU que par et en vertu d'un acte du Parlement du Canada passé en la quarante-septième année de Notre Règne, chapitre vingt-six, connu comme "l'Acte sur les réclamations de terres dans le Manitoba, 1884," il est, entre autres choses, statué, qu'afin que les personnes qui ont, ou qui entendent présenter des réclamations telles que mentionnées dans le dit acte, puissent utilement prendre connaissance des dispositions du dit acte, le Gouverneur en conseil pourra le faire publier par proclamation :

Et considérant qu'un ordre de Notre Gouverneur Général en conseil a été passé le dix-septième jour de janvier, en l'année de Notre-Seigneur mil huit cent quatre-vingt cinq, ordonnant et décrétant qu'une proclamation soit émanée en conséquence,—

SACHEZ, maintenant, que par les présentes et en vertu de l'autorité qui Nous est conférée par le dit acte et un ordre en conseil, Nous proclamons et déclarons qu'un acte du Parlement du Canada a été passé en la quarante-septième année de Notre règne, chapitre vingt-six et intitulé " Acte pour prolonger le délai fixé par l'acte quarante-trois Victoria, chapitre sept, intitulé ' Acte à l'effet de régler définitivement les réclamations de terres dans le Manitoba par suite d'occupation, en vertu de l'acte trente-trois Victoria, chapitre trois,'" en la forme et teneur suivantes, savoir :—

Considérant que l'acte passé en la quarante-troisième année du règne de Sa Majesté, chapitre sept, intitulé " Acte à l'effet de régler définitivement les réclamations de terres dans le Manitoba par suite d'occupation, en vertu de l'acte trente-trois Victoria, chapitre trois," porte que, à partir du premier jour de mai de l'an de Notre-Seigneur mil huit cent quatre-vingt-deux, tous les droits reconnus et conférés par les troisième et quatrième paragraphes de la trente-deuxième section de l'acte trente-trois Victoria, chapitre trois, ou par tout acte qui l'amende ou s'y réfère, seraient, en ce qui a rapport aux droits à des concessions de la part de la Couronne à l'égard desquelles il n'aurait pas été formulé de demandes au département de l'Intérieur avant ce jour là, périmés et éteints ; et porte aussi que toutes réclamations faites avant le dit jour, mais qui n'auraient pas été établies avant l'expiration de six mois à compter de ce même jour, à la satisfaction du ministre de l'Intérieur, seraient prescrites aussi complètement et effective-

ment que si elles n'eussent pas été faites; à la réserve, toutefois, des réclamations présentées antérieurement au dit jour, et qui, avant l'expiration de six mois ensuite, auraient été renvoyées au commissaire ou aux commissaires, en vertu de l'acte trente-huit Victoria, chapitre cinquante-trois; et considérant qu'il est à propos de prolonger le délai ainsi fixé pour la présentation de semblables réclamations: A ces causes, Sa Majesté, par et avec l'avis et le consentement du Sénat et de la Chambre des Communes du Canada, décrète ce qui suit:

1. L'acte en premier lieu mentionné au préambule du présent acte, se lira et s'entendra comme si le premier jour de mai mil huit cent quatre-vingt-six eût été fixé au lieu du premier jour de mai mil huit cent quatre-vingt-deux, comme la date à laquelle doivent cesser les droits en question et comme la limite du délai dans lequel doivent être produites les dites réclamations de concessions.

2. Afin que les personnes qui ont, ou qui entendent présenter des réclamations telles que celles ci-dessus puissent utilement prendre connaissance des dispositions du présent acte, le Gouverneur en conseil pourra le faire publier par proclamation.

3. Le présent acte pourra être cité à toutes fins sous le titre de l' "Acte sur les réclamations de terres dans le Manitoba, 1884."

De ce qui précède Nos féaux sujets et tous ceux que les présentes peuvent concerner, sont par les présentes requis d'en prendre avis et d'agir en conséquence.

EN FOI DE QUOI, Nous avons fait émettre Nos présentes Lettres Patentes et à icelles fait apposer le Grand Sceau du Canada. TÉMOIN, Notre Très-Fidèle et Bien-Aimé Cousin, le Très-Honorable Sir HENRY CHARLES KEITH PETTY-FITZMAURICE, Marquis de Lansdowne, dans le comté de Somerset, Comte de Wycombe, de Chipping Wycombe, dans le comté de Bucks, Vicomte Calne et Calnstone dans le comté de Wilts, et Lord Wycombe, Baron de Chipping Wycombe, dans le comté de Bucks, dans la pairie de la Grande-Bretagne; Comte de Kerry et Comte de Shelburne, Vicomte Clanmaurice et Fitzmaurice, Baron de Kerry, Lixnaw, et Dunkerron, dans la pairie d'Irlande; Chevalier Grand-Croix de Notre Ordre Très-Distingué de Saint-Michel et de Saint-George; Gouverneur-Général du Canada, et Vice Amiral d'icelui.

A Notre Hôtel du Gouvernement, en Notre CITÉ d'OTTAWA, ce DIX-SEPTIÈME jour de JANVIER, dans l'année de Notre-Seigneur mil huit cent quatre-vingt-cinq, et de Notre Règne la quarante-huitième.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où i s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

Et de plus, en conformité d'une Résolution adoptée par la Chambre des communes, le 20 avril 1883, il est ordonné que—

"Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et ré-imprimés à leurs frais, avant qu'aucun comité en examine les clauses.

J. G. BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

To all to whom these presents shall come, or whom the same may in anywise concern,—Greeting:

A PROCLAMATION.

GEO. W. BURBIDGE, Deputy of the Minister of Justice, Canada. } WHEREAS it is, in and by an Act of the Parliament of Canada, passed in the forty-seventh year of Our Reign, chaptered twenty-six, known as "The Manitoba Land Claims Act, 1884," amongst other things in effect enacted, that in order that all persons having or intending to prefer any claims referred to in the said Act may be fully apprised of the provisions of the said Act, the Governor in Council may cause proclamation of the said Act to be made;

And whereas an Order of Our Governor General in Council was passed on the seventeenth day of January in the year of Our Lord, one thousand eight hundred and eighty-five, ordering and directing that a proclamation do issue accordingly,—

Now Know Ye that We do hereby, and by virtue of the authority vested in Us by the said Act and Order in Council, proclaim and declare that an Act of the Parliament of Canada was passed in the forty-seventh year of Our Reign, chaptered twenty-six, and intituled "An Act to extend the limitation of time under the Act forty-third Victoria, chapter seven, intituled 'An Act for the final settlement of claims to lands in Manitoba by occupancy, under the Act

Whereas by the Act passed in the forty-third year of the reign of Her present Majesty, chaptered seven, and intituled "An Act for the final settlement of claims to lands in Manitoba by occupancy, under the Act thirty-third Victoria, chapter three," it was provided that from and after the first day of May in the year of Our Lord, one thousand eight hundred and eighty-two, all and every the rights and claims given by the third and fourth sub-sections of the thirty-second section of the Act thirty-third Victoria, chapter three, or by any Act amending or referring to the same, should, in so far as respects rights to grants from the Crown, with respect to which application had not been made to the Department of the Interior before that day, cease and determine ; and also that such claims made before that day but which had not, before the expiration of six months after that day, been established to the satisfaction of the Minister of the Interior, should be barred as fully and effectually as if such claims had not been made, saving claims made before that day and which, before the expiration of six months after that day had been referred to the Commissioner or Commissioners under the Act thirty-eighth Victoria' chapter fifty-three ; and, whereas it is expedient to extend the time for making such claims : Therefore Her Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows :—

The Act firstly mentioned in the preamble of this Act shall be read and construed as if the first day of May in the year of Our Lord one thousand eight hundred and eighty-six had been enacted instead of the first day of May in the year of Our Lord one thousand eight hundred and eighty-two, as the date from and after which such rights should cease, and as the limit of time for making claims to such grants.

2. And that all persons having, or intending to prefer, any such claims as aforesaid, may be fully apprised of the provisions of this Act, the Governor in Council may cause Proclamation of this Act to be made.

3. This Act may be cited for all purposes as "The Manitoba Land Claims Act, 1884."

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in paper in the nearest District, in which a newspaper is published.

PROCLAMATION.

GEO. W. BURBIDGE, Député du Ministre de la Justice, Canada. } ATTENDU que par et en vertu d'un acte du Parlement du Canada passé en la quarante-septième année de Notre Règne, chapitre vingt-six, connu comme "l'Acte sur les réclamations de terres dans le Manitoba, 1884," il est, entre autres choses, statué, qu'afin que les personnes qui ont, ou qui entendent présenter des réclamations telles que mentionnées dans le dit acte, puissent utilement prendre connaissance des dispositions du dit acte, le Gouverneur en conseil pourra le faire publier par proclamation ;

Et considérant qu'un ordre de Notre Gouverneur Général en conseil a été passé le dix-septième jour de janvier, en l'année de Notre-Seigneur mil huit cent quatre-vingt cinq, ordonnant et décrétant qu'une proclamation soit émanée en conséquence,—

SACHEZ, maintenant, que par les présentes et en vertu de l'autorité qui Nous est conférée par le dit acte et un ordre en conseil, Nous proclamons et déclarons qu'un acte du Parlement du Canada a été passé en la quarante-septième année de Notre règne, chapitre vingt-six et intitulé "Acte pour prolonger le délai fixé par l'acte quarante-trois Victoria, chapitre sept, intitulé 'Acte à l'effet de régler définitivement les réclamations de terres dans le Manitoba par suite d'occupation, en vertu de l'acte trente-trois Victoria, chapitre trois,'" en la forme et teneur suivantes, savoir :—

Considérant que l'acte passé en la quarante-troisième année du règne de Sa Majesté, chapitre sept, intitulé "Acte à l'effet de régler définitivement les réclamations de terres dans le Manitoba par suite d'occupation, en vertu de l'acte trente-trois Victoria, chapitre trois," porte que, à partir du premier jour de mai de l'an de Notre-Seigneur mil huit cent quatre-vingt-deux, tous les droits reconnus et conférés par les troisième et quatrième paragraphes de la trente-deuxième section de l'acte trente-trois Victoria, chapitre trois, ou par tout acte qui l'amende ou s'y réfère, seraient, en ce qui a rapport aux droits à des concessions de la part de la Couronne à l'égard desquelles il n'aurait pas été formulé de demandes au département de l'Intérieur avant ce jour là, périmés et éteints ; et porte aussi que toutes réclamations faites avant le dit jour, mais qui n'auraient pas été établies avant l'expiration de six mois à compter de ce même jour, à la satisfaction du ministre de l'Intérieur, seraient prescrites aussi complètement et effectivement que si elles n'eussent pas été faites ; à la réserve, toutefois, des réclamations présentées antérieurement au dit jour, et qui, avant l'expiration de six mois ensuite, auraient été renvoyées au commissaire ou aux commissaires, en vertu de l'acte trente-huit Victoria, chapitre cinquante-trois ; et considérant qu'il est à propos de prolonger le délai ainsi fixé pour la présentation de semblables réclamations : A ces causes, Sa Majesté, par et avec l'avis et le consentement du Sénat et de la Chambre des Communes du Canada, décrète ce qui suit :

1. L'acte en premier lieu mentionné au préambule du présent acte, se lira et s'entendra comme si le premier jour de mai mil huit cent quatre-vingt-six eût été fixé au lieu du premier jour de mai mil huit cent quatre-vingt-deux, comme la date à laquelle doivent cesser les droits en question et comme la limite du délai dans lequel doivent être produites les dites réclamations de concessions.

2. Afin que les personnes qui ont, ou qui entendent présenter des réclamations telles que celles ci-dessus puissent utilement prendre connaissance des dispositions du présent acte, le Gouverneur en conseil pourra le faire publier par proclamation.

3. Le présent acte pourra être cité à toutes fins sous le titre de l' "Acte sur les réclamations de terres dans le Manitoba, 1884."

De ce qui précède Nos féaux sujets et tous ceux que les présentes peuvent concerner, sont par les présentes requis d'en prendre avis et d'agir en conséquence.

J. M. COURTNEY,
Député du Ministre des Finances.

Département des Finances,
Ottawa, 2 février 1885.

AVIS.—Des propositions seront reçues par le soussigné jusqu'à lundi, le 16 février prochain, de la part des personnes qui désireraient louer le privilège du passage d'eau sur la rivière Ottawa entre le port de Papineauville, dans la paroisse de Sainte-Angélique, dans le comté d'Ottawa, province de Québec, et celui de Brown, dans le township de North Plantagenet, comté de Prescott, dans la pro-

vince d'Ontario, conformément aux termes et conditions ci-après stipulés :

RÈGLEMENTS.

1re.—Limites.

Les limites du passage d'eau s'étendront à une distance d'un mille au-dessus du port de Papineauville, dans la paroisse de Sainte-Angélique, comté d'Ottawa, province de Québec, à une distance égale au-dessous du port de Brown, dans le township de North Plantagenet, comté de Prescott, province d'Ontario.

2me.— Quais d'atterrissement.

Des quais d'atterrissement pouvant servir aux eaux basses et hautes de la rivière seront construits sur chaque rive, sujets à l'approbation du département du revenu de l'intérieur.

3me.—Bateaux-traversiers.

Durant la première année qui suivra la mise en force du bail, le locataire fournira et tiendra en opération un bateau mis en mouvement par la vapeur, des chevaux ou par des rames, propre au transport sûr et suffisamment prompt des passagers, des chevaux, des animaux et de tous véhicules ordinaires. Le dit bateau sera soumis à l'approbation du département du revenu de l'intérieur, et si le locataire décide de se servir d'un bateau à vapeur, il devra obtenir du Bureau des inspecteurs des bateaux à vapeur de la Puissance et produire un certificat que le vaisseau en question est propre au service et peut l'accomplir sûrement et d'une manière efficace.

4me.—Nombre de voyages.

Durant la saison de la navigation le bateau-traversier commencera son service chaque jour (dimanches exceptés) à six heures a.m., et continuera ensuite à traverser aussi souvent qu'il sera nécessaire pour les besoins du public, et le nombre de traverses devra être fixé de temps en temps par le département du revenu de l'intérieur Jusqu'à ce qu'il y ait provisions au contraire, le locataire devra établir et entretenir un système efficace de signaux et devra traverser d'un côté à l'autre chaque fois que le signal lui en sera donné.

5me.—Tarif des charges.

Il ne pourra être chargé pour le passage un prix plus élevé que les suivants :

	Cts.
Pour une voiture légère à deux chevaux ou un transport avec conducteur, chaque passage	30
Pour une voiture légère à un cheval ou un transport avec conducteur, chaque passage	25
Un cheval, chaque passage	20
Chaque tête de bêtes à cornes, chaque passage	20
Chaque tête de moutons ou porcs, chaque passage	10
Un passager, chaque passage	10
Cent livres de fret, chaque passage	5

Sixième.

Le bateau-traversier sera mis en opération après avoir été complètement fini et équipé et les quais d'atterrissement seront construits entièrement le ou avant le premier mai 1886.

Septième.

Le locataire obtiendra le privilège pour une période de cinq ans, à commencer le premier mai 1885.

Huitième.

Le locataire devra donner deux cautions à la satisfaction du Département du Revenu de l'Intérieur, lesquelles cautions seront responsables conjointement et solidairement au montant de $400 pour l'accomplissement absolu par le locataire des termes de son bail.

Neuvième.

Le Département du Revenu de l'Intérieur se réserve le droit de refuser tout bateau-traversier ou quais d'atterrissement qu'il jugera insuffisants ou inconvenables pour le service, ou n'offrant pas de sûreté au public, ou incapable de rencontrer les besoins publics. Le Gouverneur en conseil se réserve également le droit de modifier le tarif s'il juge expédient d'en agir ainsi en faveur de l'intérêt public, et il pourra déclarer le bail forfait et nul chaque fois qu'il sera prouvé d'une manière satisfaisante que le locataire a failli à ses obligations.

Dixième.

Un avis des taux et frais qui seront chargés pour le passage devra être affiché dans un endroit apparent près du lieu d'atterrissement du passage sur chaque rive, et aussi à bord du bateau-traversier dont on se servira.

Les propositions doivent fixer le montant que les parties soumissionnaires ont intention de payer annuellement pour le privilège en question ; lequel montant sera payable d'avance, les termes du bail étant de cinq années à compter du premier mai 1885.

Toutes communications doivent être adressées au soussigné et endossées sur l'enveloppe "Soumissions pour le passage d'eau de Papineauville."

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où i s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

Et de plus, en conformité d'une Résolution adoptée par la Chambre des communes, le 20 avril 1883, il est ordonné que—

"Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et ré-imprimés à leurs frais, avant qu'aucun comité en examine les clauses.

J. G. BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y parait pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

AVIS DU GOUVERNEMENT.

AVIS.—Des propositions seront reçues par le soussigné jusqu'à lundi, le 16 février prochain, de la part des personnes qui désireraient louer le privilège du passage d'eau sur la rivière Ottawa entre le port de Papineauville, dans la paroisse de Sainte-Angélique, dans le comté d'Ottawa, province de Québec, et celui de Brown, dans le township de North Plantagenet, comté de Prescott, dans la province d'Ontario, conformément aux termes et conditions ci après stipulés :

RÈGLEMENTS.

1re.—Limites.

Les limites du passage d'eau s'étendront à une distance d'un mille au-dessus du port de Papineauville, dans la paroisse de Sainte-Angélique, comté

d'Ottawa, province de Québec, à une distance égale au-dessous du port de Brown, dans le township de North Plantagenet, comté de Prescott, province d'Ontario.

2me.—Quais d'atterrissement.

Des quais d'atterrissement pouvant servir aux eaux basses et hautes de la rivière seront construits sur chaque rive, sujets à l'approbation du département du revenu de l'intérieur.

3me.—Bateaux-traversiers.

Durant la première année qui suivra la mise en force du bail, le locataire fournira et tiendra en opération un bateau mis en mouvement par la vapeur, des chevaux ou par des rames, propre au transport sûr et suffisamment prompt des passagers, des chevaux, des animaux et de tous véhicules ordinaires. Le dit bateau sera soumis à l'approbation du département du revenu de l'intérieur, et si le locataire décide de se servir d'un bateau à vapeur, il devra obtenir du Bureau des inspecteurs des bateaux à vapeur de la Puissance et produire un certificat que le vaisseau en question est propre au service et peut l'accomplir sûrement et d'une manière efficace.

4me.—Nombre de voyages.

Durant la saison de la navigation le bateau-traversier commencera son service chaque jour (dimanches exceptés) à six heures a.m., et continuera ensuite à traverser aussi souvent qu'il sera nécessaire pour les besoins du public, et le nombre de traverses devra être fixé de temps en temps par le département du revenu de l'intérieur Jusqu'à ce qu'il y ait provisions au contraire, le locataire devra établir et entretenir un système efficace de signaux et devra traverser d'un côté à l'autre chaque fois que le signal lui en sera donné.

5me.—Tarif des charges.

Il ne pourra être chargé pour le passage un prix plus élevé que les suivants :

	Cts.
Pour une voiture légère à deux chevaux ou un transport avec conducteur, chaque passage	30
Pour une voiture légère à un cheval ou un transport avec conducteur, chaque passage	25
Un cheval, chaque passage	20
Chaque tête de bêtes à cornes, chaque passage	20
Chaque tête de moutons ou porcs, chaque passage	10
Un passager, chaque passage	10
Cent livres de fret, chaque passage	5

Sixième.

Le bateau-traversier sera mis en opération après avoir été complètement fini et équipé et les quais d'atterrissement seront construits entièrement le ou avant le premier mai 1886.

Septième.

Le locataire obtiendra le privilège pour une période de cinq ans, à commencer le premier mai 1885.

Huitième.

Le locataire devra donner deux cautions à la satisfaction du Département du Revenu de l'Intérieur, lesquelles cautions seront responsables conjointement et solidairement au montant de $400 pour l'accomplissement absolu par le locataire des termes de son bail.

Neuvième.

Le Département du Revenu de l'Intérieur se réserve le droit de refuser tout bateau-traversier ou quais d'atterrissement qu'il jugera insuffisants ou inconvenables pour le service, ou n'offrant pas de sûreté au public, ou incapable de rencontrer les besoins publics. Le Gouverneur en conseil se réserve également le droit de modifier le tarif s'il juge expédient d'en agir ainsi en faveur de l'intérêt public, et il pourra déclarer le bail forfait et nul chaque fois qu'il sera prouvé d'une manière satisfaisante que le locataire a failli à ses obligations.

Dixième.

Un avis des taux et frais qui seront chargés pour le passage devra être affiché dans un endroit apparent près du lieu d'atterrissement du passage sur chaque rive, et aussi à bord du bateau-traversier dont on se servira.

Les propositions doivent fixer le montant que les parties soumissionnaires ont intention de payer annuellement pour le privilège en question ; lequel montant sera payable d'avance, les termes du bail étant de cinq années à compter du premier mai 1885.

Toutes communications doivent être adressées au soussigné et endossées sur l'enveloppe " Soumissions pour le passage d'eau de Papineauville."

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où i s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

Et de plus, en conformité d'une Résolution adoptée par la Chambre des communes, le 20 avril 1883, il est ordonné que—

"Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et ré-imprimés à leurs frais, avant qu'aucun comité en examine les clauses.

J. G. BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y parait pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDERAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où i s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

Et de plus, en conformité d'une Résolution adoptée par la Chambre des communes, le 20 avril 1883, il est ordonné que—

"Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et ré-imprimés à leurs frais, avant qu'aucun comité en examine les clauses.

J. G. BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

That William Wallace White, of the Town of Arthur, in the said County of Wellington, in the Province of Ontario, Esquire, has been appointed Returning Officer for the purpose of taking on that day the votes of the electors for and against the petition, and of afterwards summing up the same and making a return of the result to the Governor General in Council. That the said Returning Officer is empowered and required to appoint a Deputy Returning Officer at and for each polling place or station. That the Returning Officer will appoint persons to attend at the various polling stations and at the final summing up of votes, on behalf of the persons interested in and promoting or opposing, respectively, the adoption of the petition, at the City Hall, in the City of Guelph, in the said County, on Monday, the thirtieth day of March next, at ten of the clock in the forenoon.

That the votes of the electors will be summed up and the result of the polling declared by the Returning Officer at the said City Hall in the said City of Guelph, on Tuesday, the seventh day of April next, at ten of the clock in the forenoon. And in the event of the petition being adopted by the electors, the Governor General in Council may, at any time after the expiration of sixty days from the day on which the same was adopted, by Order in Council published in the *Canada Gazette*, declare that the second part of the said Act shall be in force and take

And if there are no licenses in force in the said County, then that the second part of the said Act shall be in force and take effect in the said County after the expiration of thirty days from the date of such Order in Council.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette, in* the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette*, and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such Notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the accountant of the House a sum of $200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

No Petition for a Private Bill is received by either House after the first ten days of the session.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

41. Dans le cas de toute demande de bill privé, proprement dit, au conseil législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district et le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes.

Et de plus, en conformité d'une Résolution adoptée par la Chambre des communes, le 20 avril 1883, il est ordonné que—

"Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et ré-imprimés à leurs frais, avant qu'aucun comité en examine les clauses.

J. G. BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y parait pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

No. 4 of 1885.

BACK RANGE LIGHT AT GEORGETOWN HARBOR.

NOTICE is hereby given that the light which has been maintained since 1877, as a winter light only, to range with the light on St. Andrew's Point, at the entrance to Georgetown Harbor, Prince Edward Island, has been made a permanent light, to be shown all the year round.

It is located about half a mile N.W. by W. ¼ W. (approximately) from that on St. Andrew's Point, which will be, as heretofore, fixed red.

It is a fixed white catoptric light, elevated 50 feet above high water mark, and should be visible 12 miles in the line of range.

The square lantern is hoisted on a mast 30 feet high, with a shed at its base, which, from the water, is hidden by trees.

The two lights in range will lead clear of Wheeler's bar on the port hand and of the Knoll shoal on the starboard until close in to St. Andrew's Point, when Georgetown wharf, due north, may be borne up for.

ORDRES EN CONSEIL.

HOTEL DU GOUVERNEMENT, OTTAWA.

Vendredi, 6ème jour de mars 1885.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que la maladie contagieuse "gale des moutons," existe dans certaines parties de la province de Québec, et particulièrement dans le district de Montréal ;

Et attendu que le haut commissaire pour le Canada, à Londres, a fait rapport au ministre de l'Agriculture que dans les cargaisons de moutons expédiées de la Puissance et arrivant au port de Liverpool, il s'était trouvé des animaux atteints de la *gale des moutons*, et qu'en conséquence ces cargaisons avaient, par ordre, été envoyées au quai des animaux malades ;

Et attendu qu'il a été fait rapport au ministre de l'Agriculture par les inspecteurs vétérinaires de son Ministère que les mesures prises jusqu'ici pour l'extirpation de cette maladie de la *gale des moutons*, n'avaient été ni assez sévères ni assez longuement appliquées, et qu'en conséquence la maladie s'était propagée, particulièrement dans le district susmentionné ;

Et attendu que, dans l'opinion du ministre de l'Agriculture, il est de l'intérêt général de la Puissance comme de l'intérêt des localités infectées, qu'il soit pris des moyens suffisants pour extirper cette maladie ;

Sur la recommandation du ministre de l'Agriculture et sous l'autorité de l'acte du parlement du Canada, 42 Victoria, chap. 23, intitulé "Un Acte pour mieux protéger les animaux contre les épizooties ou les maladies contagieuses qui les attaquent,"—

Il a plu à Son Excellence par et de l'avis du Conseil privé de la reine pour le Canada d'ordonner, et il est par le présent ordonné que l'ordre en conseil du 30 décembre 1884 au sujet de la maladie contagieuse de la gale des moutons soit, et il est par le présent révoqué, et il a en outre plu à Son Excellence d'établir les règlements suivants :

1. Afin d'isoler et renfermer dans certains districts ou disposer autrement des animaux atteints de la maladie de la gale des moutons, un inspecteur vétérinaire ou autre personne commise à cet effet par ordre en conseil, agissant sous les ordres du ministre de l'Agriculture pourra déclarer que telle ferme ou tel endroit, telle commune ou telle cour ou aucune bâtisse où on aura trouvé des animaux affectés de cette maladie, est un endroit infecté suivant le sens de l'acte suscité.

2. A l'exception de l'inspecteur vétérinaire ou autre personne commise à cet effet et agissant sous les ordres du ministre de l'Agriculture, nul ne fera sortir aucun mouton de tel endroit infecté, et ceux-là ne le pourront faire qu'afin d'exécuter les provisions du dit acte, à peine d'une amende de deux cents piastres.

3. Un inspecteur vétérinaire ou autre personne dûment commise comme susdit, agissant sous la direction du ministre de l'Agriculture, pourra choisir soit en dedans soit en dehors des limites de la localité infectée un ou des lieux particuliers afin que, dans le cas où l'on croirait la chose utile, on puisse y faire isoler et garder séparés les animaux qui auraient été exposés à la maladie de la gale des moutons ; et tel inspecteur vétérinaire, ou autre personne dûment autorisée comme susdit, aura seul le pouvoir d'ordonner de conduire à tel endroit les animaux qu'il croira utile, comme aussi de les en faire sortir.

4. Tel inspecteur vétérinaire dûment nommé ou tel autre officier agissant sous la direction du ministre de l'Agriculture pourra, sous l'autorité de la section 14 du dit acte, ordonner de tuer tout animal trouvé être affecté de la gale des moutons, ou en contact avec des animaux ainsi affectés ; il sera payé au propriétaire de l'animal une compensation n'excédant pas les deux tiers de la valeur de l'animal avant qu'il n'eût été atteint, mais telle compensation ne devant pas dépasser quatre piastres pour aucun animal.

5. La valeur des animaux sera, dans tous les cas, établie par un inspecteur vétérinaire, ou autre personne commise à cet effet par le ministre de l'Agriculture, mais il ne sera accordé aucune compensation dans aucun cas où on aura frauduleusement tenté de cacher la maladie, ni dans le cas où on aurait fait sortir tels animaux de l'endroit déclaré infecté, sous les dispositions de l'acte ci-dessus.

6. Tout marché, cour de chemin de fer, enclos, ou quai, ou partie d'iceux, ou autre endroit dans lequel des moutons sont exposés en vente, ou dans lequel ils ont été placés en attendant qu'on les conduise au marché ou qu'on les exporte en dehors de la province—au cas où un inspecteur vétérinaire ou autre personne dûment nommée par ordre en conseil et agissant en vertu d'instructions données par le ministre d'Agriculture y trouverait un animal affecté de la maladie de la gale des moutons, sur la déclarations faite par le dit inspecteur vétérinaire ou par telle autre personne, sera tenu pour un endroit infecté dans le sens de l'acte susdit ; et aucun animal ne pourra être tiré de tel endroit infecté, excepté sur l'ordre de tel inspecteur vétérinaire ou autre personne susdite dûment nommée, sous peine d'une amende de deux cents piastres.

7. Tout hangar, appenti ou endroit occupé par des moutons affectés de la gale des moutons devra être complètement nettoyé et désinfecté sous la direction d'un inspecteur vétérinaire ou autre personne dûment nommée.

Il a plu à Son Excellence d'ordonner que le ministre de l'Agriculture soit, et il est par les présentes autorisé à mettre en force les règlements qui précèdent aussi bien que toutes les dispositions contenues dans les sept premières sections de l'acte déjà mentionné.

JOHN J. McGEE,
Greffier du Conseil Privé.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où i s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

Et de plus, en conformité d'une Résolution adoptée par la Chambre des communes, le 20 avril 1883, il est ordonné que—

"Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et ré-imprimés à leurs frais, avant qu'aucun comité en examine les clauses.

J. G. BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.
